

Situation Reaction Test (SRT)

- SRT is another test at Service Selection Boards in Psychologist series.
- This is a test of your common sense, you will be given some situations which occurs in our daily life and your answer will help the Psychologist to judge your mentality.

No. of Situation – 60
Time – 30 Minutes

You will be given a booklet containing **60 situations** which you have to answer in **30 minutes**, this time limit has been intentionally shortened as to ensure that the candidate gives the first reaction which comes to his mind without thinking much over it.

- You must answer the situation as a normal person and not like Rajnikant or Superman, write quickly and use punctuation marks as the time given to you is less.

REMEMBER

Instructions for SRT

This is a test of imagination (Idea writing test) most commonly known as SRT.

You have to write your answers on page No 10, 11, 12 & 13 of your answer sheet.

Write your answer in English/Hindi in the space provided in your answer sheet.

In this test a Number of situations are presented to you. They want to know how you feel, think and act in these situations.

Instructions for SRT

There is no right or wrong answer with respect to these situations. Everyone is likely to read these situations in his own way. SSB wants to know your reaction to these situations.

Do not spend too much time in thinking out the answers to the situations. Write quickly the answer that comes to your mind first. Do not turn over the page until you are told to do so.

You will be given 30 minutes to do the test which contains 60 situations. Try to answer all questions in given time.

You must not be in possession of any watch or any other electronic gadget.

Tips for Situation Reaction Test SRT

Do not respond in detail, respond in a precise manner.

To write fast, use punctuation marks in between your sentences. This will also enhance read ability of your reply.

Don't jump from one question to another because an armed officer won't switch from one tough situation to another easy one.

Some situations may be quite similar and here you should not give contradictory replies to each of them.

Keep your replies shorter as time runs out very quickly in this test.

Make an assessment of probable resources at your disposal and analyze each situation as it should be.
