Disclaimer:

All responses used in Situation Reaction Test Solved eBook are collected from recommended candidates and SSBCrack experts. Candidates may or may not face the same questions in SRT, responses given are just for reference and knowledge purposes. Using the same response doesn't guarantee a recommendation. Candidates are advised to stay original while writing responses at SSB.

What Is Situation Reaction [SRT]?

In Situation Reaction Test, 60 situations are given to the candidates in the form of a printed booklet. Time given for the Situation Reaction Test is 30 minutes. In short, candidates are required to write their responses based on the 60 situations given on the booklet in 30 mins. The time limit makes this test challenging and helps the psychologist to test the candidates in the best way.

Mostly there are many confusing or tricky situations which are intentionally included in this test. They are meant to dig out your innate character and mental strength to react under extreme situations to which you will be exposed as an Officer.

No. of situations in SRT - 60

Maximum Time – 30 Minutes

- You are required to write your responses in an answer sheet provided to you.
- Divide your time carefully to attempt maximum situations.
- Below we have provided 100 SRT solved original situations which you are going to face at SSB interview. You can find the responses on each situation by recommended candidates. We want to make sure that candidates should not take these responses for granted, these responses are just to familiarize you with how a response should be made based on one's personality.
